IRM Case R0002 Oman

Date: 2 November 2026

IRM Second Extension of Time Decision – Information and Consultation

GCF Project **SAP052 "Building Oman's Climate Intelligence and Early Warning Ecosystem for Risk-Informed Planning and Inclusive Climate-Proof Investment"**

Date **2 November 2026**

1. The GCF Board considered Funding Proposal SAP052, "*Building Oman's Climate Intelligence and Early Warning Ecosystem for Risk-Informed Planning and Inclusive Climate-Proof Investment*," at its 43rd meeting, held in Songdo, Incheon, Republic of Korea, from 27 to 30 October 2025. The Accredited Entity was the United Nations Industrial Development Organization (UNIDO).

2. Following its deliberations, the Board did not approve the proposal (decision B.43/03). The decision was conveyed to the National Designated Authority (NDA) of the Sultanate of Oman on 1 December 2025. On 29 January 2026, the IRM received a request from the National Designated Authority for reconsideration of that decision.

3. The IRM acknowledged receipt of the request on 2 February 2026 under paragraph 13 of the IRM Procedures and Guidelines (PGs). On 4 May 2026, the IRM determined that the request was eligible and began the information and consultation phase.

4. The IRM determined that more time was needed to complete the phase and accordingly, extended the deadline under paragraph 95 of the PGs:

   - **First extension**: On 21 July 2026, the IRM determined that additional time was needed and extended the deadline from 2 August 2026 to 31 October 2026.
   - **Second extension**: On 30 October 2026, the IRM determined that additional time was needed and extended the deadline from 31 October 2026 to 31 December 2026.
